

## HOW TO CREATE A BEEP XTRA ACCOUNT

There are two ways to create your Beep Xtra account.

A) If you are using the Beep app, simply fill out the form with your details as requested and click the button that says **“Register”**. An activation email will be sent to the email addressed that you used. Use the activation link on the email to activate your account.

The screenshot shows the Beep XTRA registration interface. At the top, there's a status bar with signal strength, Wi-Fi, 0 K/s, 99% battery, and 10:26. Below is the Beep XTRA logo. A dark blue button labeled 'LOGIN' is followed by 'OR' and a blue button labeled 'Register for free'. The registration form consists of several input fields: 'Name', 'Surname', 'Email', 'Confirm email', 'Birth date', and 'Country' (pre-filled with 'Afghanistan'). Below these is a dark blue header for the 'Optional' section, which contains two input fields: 'bXTRA Card Number' and 'Authorisation number'. Below the optional fields is a link: 'Read terms of service to continue the registration'. At the bottom is a large grey button labeled 'Register'. Red circles highlight the optional fields and the Register button.

**\* Linking a physical Beep card number and authorisation number is optional. You do not need to fill in this part if you have not received your physical card yet.**

B) If you are using our website, you can follow the next steps to create your Beep Xtra account:

1) Visit [www.beepxtra.com](http://www.beepxtra.com) and click the “**Sign Up**” button on the top of the page, or the “**Sign Up**” picture on the bottom of the page.

The banner features a man with arms outstretched, wearing a white t-shirt with the Beep Xtra logo. The text "Sign Up!" is prominently displayed above him.

2) Choose one of the two options available.  
Choose “**Register with Beep card**” ONLY if you have already received your physical Beep Xtra card, otherwise choose “**Register with your Email**”.

The image shows the "Sign Up" registration options. There are two buttons: "Register with Beep Card" (with a card icon) and "Register with your Email" (with an @ symbol icon). Below these buttons is a link: "Already have an account? Log In".

3) Fill in all your details and remember to tick the "captcha box" in order to verify you are not a robot.

\*Please make sure all of your details are filled in correctly, as there is no choice of editing you personal details after you have created your account, due to security purposes.
